* Charges are for a minimum annual contract (52 weeks) as from 1st April 2016. Minimum charge for calculation based on 7.5m

** Note to Skippers - we recommend that no more than 2 people are aboard when the boat is launched.

† Re-launching back into the water after the winter storage period is on a rotational basis as availability dictates.

‡ All customers who want electricity will need a Morgan Marine metered cable.

We reserve the right, as appropriate, to remove connections from electricity pods that are not using a metered cable.

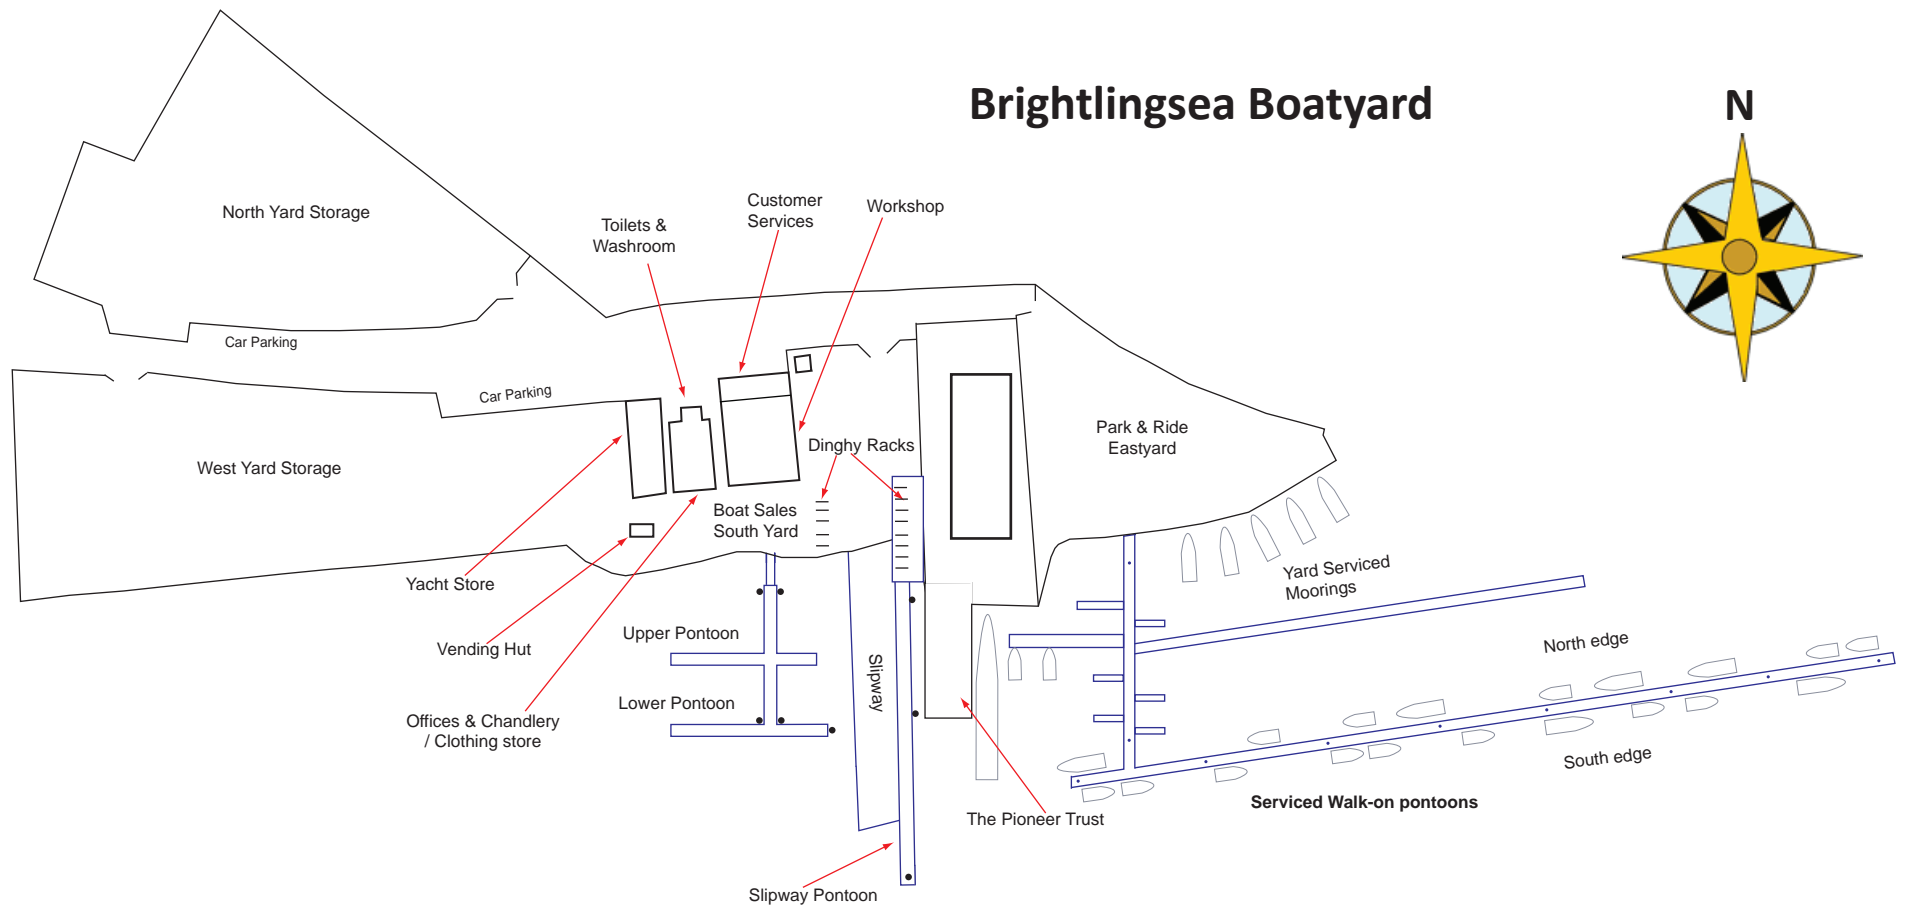

All visitors are at the invitation of Morgan Marine. Any bad behaviour and you will be asked to leave the premises.

All CHARGES are EXCLUSIVE of VAT and are calculated on the LOA (length overall) of the craft to include bowsprit, davits, out drives, bathing platform, trailer and any other extension fore and aft of the craft. Prices may be subject to change during the year without prior notice. For terms and conditions, please refer to the BRIGHTLINGSEA BOATYARD BOOKING FORM AND CHARGES - please ask for a copy. All business conducted under our STANDARD TERMS OF BUSINESS; please ask for a copy. E & OE.

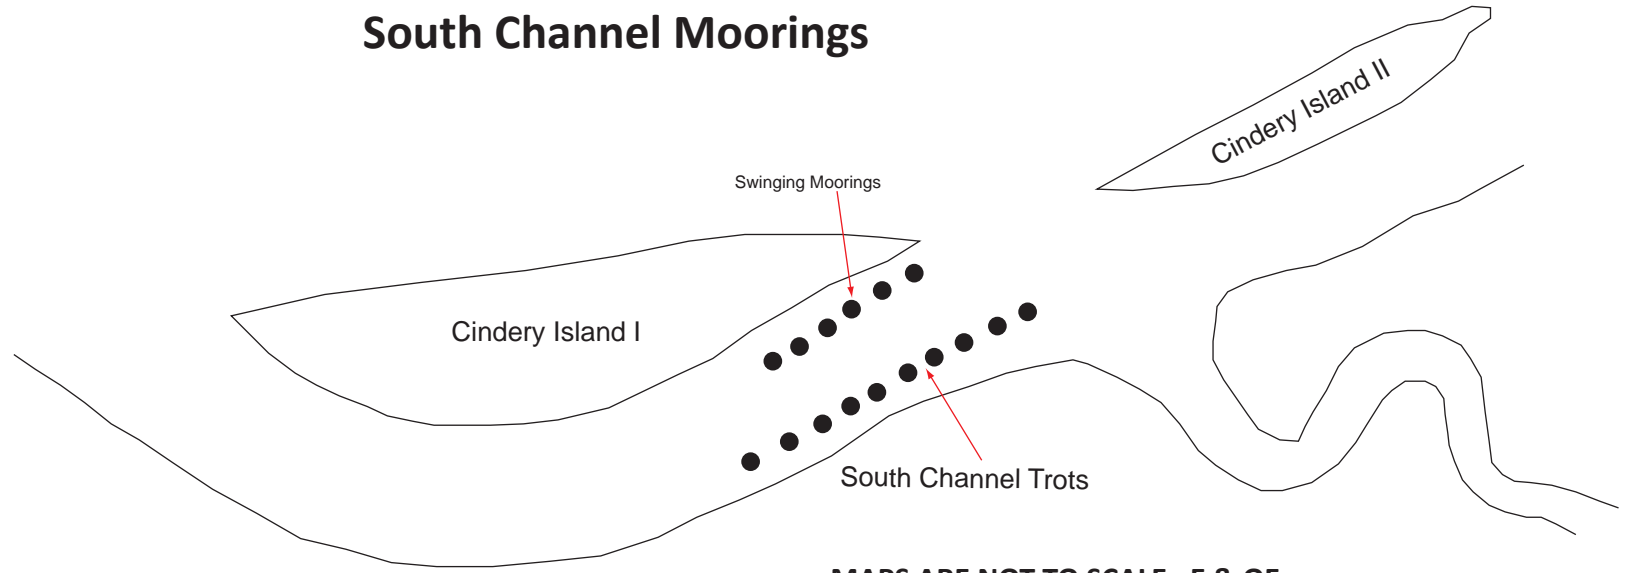

10% Discount for full payment at time of Booking

Available to customers who pay in full at time of booking for the Winter lay-up programme. This is typically for a yacht or motorboat that needs hoisting, power washing, blocking up / cradle, mast down, full Winter storage of 21 weeks and re-hoist out in Spring. It gives our customers the most competitive price on the market and alleviates us from sending out costly invoices and statements.
