* Charges are for a minimum annual contract (52 weeks) as from 1st April 2011. Minimum charge for calculation based on 7.5m

** Note to Skippers - we recommend that no more than 2 people are aboard when the boat is launched.

† Re-launching back into the water after the winter storage period is on a rotational basis as availability dictates.

‡ All customers who want electricity will need a Morgan Marine metered cable.

We reserve the right, as appropriate, to remove connections from electricity pods that are not using a metered cable.

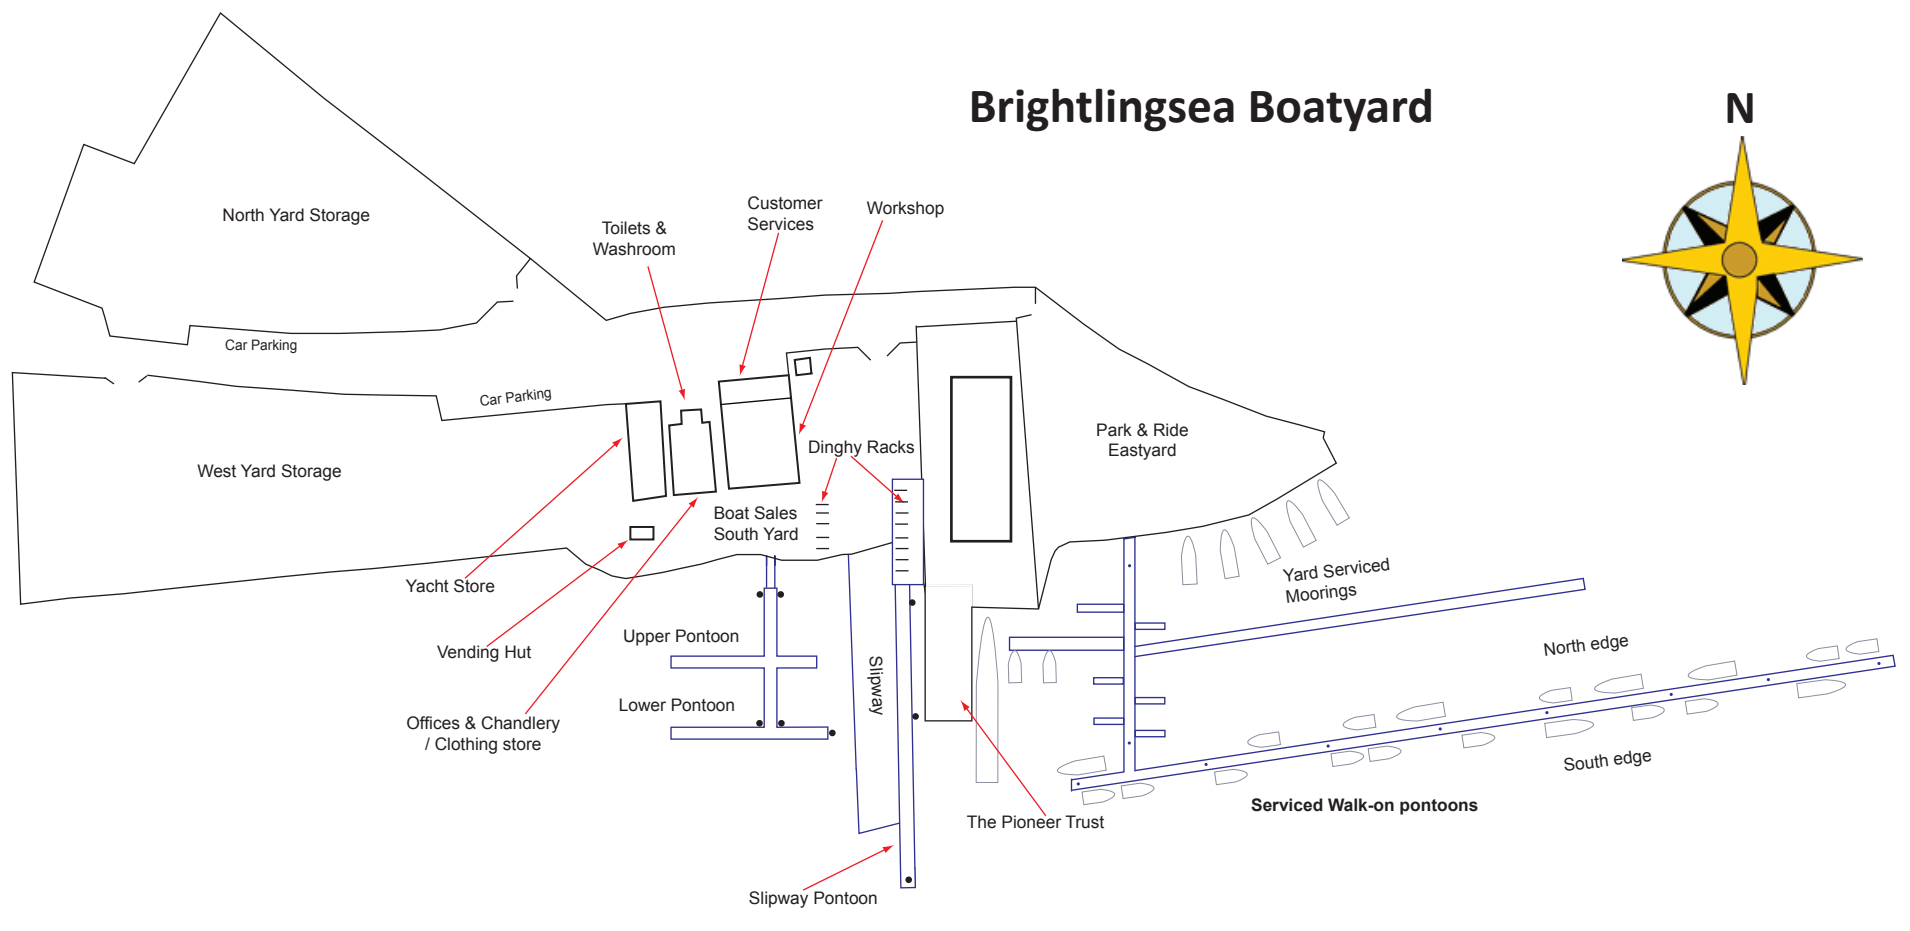

All visitors are at the invitation of Morgan Marine. Any bad behaviour and you will be asked to leave the premises.

All CHARGES are EXCLUSIVE of VAT and are calculated on the LOA (length overall) of the craft to include bowsprit, davits, out drives, bathing platform, trailer and any other extension fore and aft of the craft. Prices may be subject to change during the year without prior notice. For terms and conditions, please refer to the BRIGHTLINGSEA BOATYARD BOOKING FORM AND CHARGES - please ask for a copy. All business conducted under our STANDARD TERMS OF BUSINESS; please ask for a copy. E & OE.

10% Discount for full payment at time of Booking

Restricted to outside customers who are choosing to reside with us for the winter and require our 'full 22 week Winter storage programme' ie haul out, winter storage, various "pink list" yard services and relaunch the following Spring. Does not apply to existing customers with Morgan Marine moorings who have the benefit of free storage, Park & Ride customers, annual ongoing boats in storage and any customer requiring a reduced package of the above programme.
